

Effective Biological and Ecological Cleaning Solutions

BioHygiene’s eco friendly sanitiser range provides a complete virucidal and bactericidal solution. Approved to EN14476 for enveloped viruses, including coronaviruses, e.g. SARS-CoV-2.

Available in ready to use and ‘super concentrate’ platforms

- Effective cleaning: Clean, Descale, Deodourise and Disinfect
- Eco friendly, naturally derived ingredients
- Approved to **EN14476, EN1276, EN13697, EN13623, EN1650**
- UK Manufacturer
- Super concentrate can be diluted to make **666 Triggers** or **500L** of solution making it a cost-effective solution for high volume applications including scrubber drier and fogging
- Available unfragranced (food safe) or with a pleasant citrus fragrance

Effective Biological and Ecological Cleaning Solutions

All Purpose Sanitiser utilises eco-friendly, naturally derived, mild surfactant and a natural fermentation extract to produce an environmentally-responsible and sustainable cleaner and disinfectant.

Spray and clean organic debris from the surface, spray and leave for 5 minutes before wiping away with a clean, damp cloth.

Clean and disinfect frequently touched objects and surfaces

Lights & control switches

Taps and toilet flush levers

Soft furnishings (eg. sofas and curtains)
